Summary

This was the second ACT Climate Change Council (Council) meeting of the 2021-22 financial year. The Council sought the Minister's views on its November 2021 meeting with the Climate Action Cabinet Subcommittee to discuss the Council's report on the social cost of carbon. The Minister advised that the Government's Greenhouse Gas Inventory report was due to be shortly published and a copy would be provided to Council. Council Chair provided an update on Council's meetings with the ACT Government's Minister for Sustainable Building and Construction. The Council provided an overview of its Workplan to the Minister and highlighted the plan's priorities. The Minister briefed the Council on the resignation of Ms Karen Jesson from the Council and the Council expressed its appreciation for Ms Jesson's contribution to the Council.
